YOUR GIFT HAS POWER!

When combined with other contributions, your donation supports over **60 local human service programs focusing on the education, financial stability, and health of our community.** We can make a difference together that none of us could achieve alone.

#2 – Recruit & Train Your Campaign Committee

Don’t run your campaign alone. Recruit a committee of enthusiastic, resourceful, and committed employees to help you plan the best possible campaign!

Diversity is important. Involve representatives from various departments in your organization, such as marketing, communications, human resources, etc.

Set up regular meetings and delegate responsibilities. You can ensure campaign success by creating roles for each committee member.

#3 – Secure Executive Or Top Level Support

The success of your campaign depends on top-down support, particularly the commitment and involvement of your CEO and executives. Securing the visible support of your leaders adds momentum to the planning process. This will have a big impact on your ability to achieve campaign goals!

Get your Campaign Started

The most successful Workplace Campaigns have the early and full support of the organization's CEO. **Prior to beginning your Campaign, meet with your CEO and other top executives within the organization to gain their overall support,** review last year's results, set new goals, obtain their Leadership gifts (\$300 or more), and discuss the varied options to Campaign development and implementation.

#4 – Develop A Campaign Plan

The First Rule of Fundraising...ASK!

You raise money when you ask for it. Just the same, you won't raise money when you don't ask.

Too simple? Not really. The more you ask, the more money you will raise. **Try and avoid thinking about asking someone for money. Rather, focus on the action of asking.** You are providing the opportunity for people to make an impact on their community!

How to Set a Goal

Every year, each organization should strive to climb higher on the ladder to success. Or maybe your goal is to gain more givers or leadership givers. It's your call!

Identify Growth

Does your company offer a corporate match for employee donations? If so, what are the guidelines? Does your company sponsor events, have grants or foundation dollars? You may want to consider these types of questions when working to increase corporate support.

Share the Goal

A workplace goal provides an incentive to give and measure success. Share your goal during your Campaign Presentation and or via employee emails. **The more you remind potential donors of the benefits of their donation, the more likely they are to contribute to the shared outcome!**

#5 - Make Giving Fun!

Your Campaign can be FUN!

Promote your campaign with banners, posters and a kickoff event. A Campaign kickoff event brings everyone together for a common cause. Have fun with it!

Make sure your CEO and senior management can attend the kickoff.

Kick off the Campaign at an all staff meeting that is already on the calendar. This prevents employees from having to attend an additional meeting or rearrange their schedules. If you can, include a special breakfast or lunch with activities, drawing,

prizes, games and contests!

Check out [Campaign Ideas](#) within the Online Campaign Toolkit for creative ways to make giving fun at your workplace.

REMEMBER...that incentives are a great way to get people involved in your campaign! They can be incentives to attend meetings, return contribution cards or to give. Incentives can be raffles, giveaways,

early bird contribution card returns, or friendly department competitions!

Also, remember that token incentives are more effective than expensive incentives. Some people may react negatively to the idea of a lavish reward for giving to United Way. It can seem inconsistent with the spirit of United Way, so please use your best judgment. A good place to start is with your vendors. Your vendors may be able to provide gifts or loan merchandise.

Employees favorite incentives ideas...paid vacation days or VIP Parking Space!

United Way will also have some incentives on hand to share with you! Including United Way t-shirts, swag and items like gift cards and coupons donated from local businesses. Ask us about incentives!

#6 – Run A Leadership Campaign

Leadership Giving Campaigns are an effective strategy to provide a boost to the Campaign. Focus on Leadership Giving at the start of your Campaign to build momentum and set the pace for success.

Strategies for Success

- **Identify existing Leadership givers. They will be the best ambassadors!**
- Pinpoint top Leadership giver prospects.
- Encourage peer participation.
- Match up peers with peers to make “the ask.” The individual who makes “the ask” should have a good rapport with the person he or she solicits.
- Publicize the organization’s Leadership investment goal as part of the overall goal.
- Follow up with prospects until each pledge card is received.
- Send thank you emails or notes to each Leadership giver.
- Ask your CEO to host a reception to acknowledge all Leadership givers.

Suggested Ways to Ask

“Your leadership is very important in this company. And your Leadership gift is vital to the success of our Campaign because you set the tone.

We need your assistance to set an example for your peers and for your employees to follow. Will you help our community by investing in United Way at the Leadership level?"

#7 - Finish Your Campaign With A Thank You

How to Say THANK YOU

Thank everyone who donated to United Way! With a handshake or a note, make sure all donors feel appreciated!

Host a fun thank you event, like an ice cream social, pizza party, breakfast, or cookout.

Publish a thank you note in your newsletter

or on social media.

Have your CEO thank all donors with a letter or announcement!

Give out special awards or prizes to departments that gave generously or at 100%.

How United Way of Greater Yankton Says THANK YOU

- **Each organization receives a THANK YOU poster with all donors listed (anonymous donors will not be listed).**
- Heart Club Donors will receive a personal thank you card.
- Every donor will receive a personalized email if their email was provided.
- Workplace Campaign Awards will be distributed.
- Display your organization's United Way Campaign Award & Community Partner Decal!

#8 Wrap It Up & Report Success

Stay Organized

- Review your results and make partial reports to United Way.
- Collect and prepare pledge forms as they come in.
- Put all the information, results, and suggestions in a file for next year's Campaign Coordinator.

Make Sure Pledge Forms Are Filled Out Correctly

- Attach checks/cash to appropriate pledge card.
- Check that all necessary information is completed, and the pledge card is signed.
- Your HR Department will receive one pledge card to process with payroll, the other goes back to United Way for their donation records.

Ways for Employees to Contribute:

- Payroll Deduction: This is the most popular way people invest in United Way. It is automatic and worry-free. A substantial investment can be made over the course of a year, paying just a little at a time. **Please have them indicate the number of pay periods your organization has during the year.**
- Cash Contribution: Cash is accepted or make checks payable to United Way of Greater Yankton.
- Direct Deposit, Billing or Credit Card: Options are available at www.yanktonunitedway.org/give.
Text to Give: You may also text the word **YANKTON** to short-code **41-444** on your phone to donate with a credit card.

Wrap Up & Report Success!

- **Verify the address of the organization and the current number of employees & contributors.**
- Discuss your organization's policy on matching gifts.
- If possible, deposit all cash received at special events and have a check payable to UW.
- Turn in your completed Report Envelope with: *Cash and checks with pledge forms, Copies of all pledge forms, electronic file of all donors*
